Health Benefits Administration Training Cancelled

We regret that the upcoming ***Health Benefits Administration for Active Employees*** training sessions scheduled for October 22—23 and November 5—6 have to be cancelled due to a scheduling problem. Participants scheduled for the October 22—23 session will also be contacted individually. The Office of Health Benefits will reschedule these sessions as soon as possible. Interest in these sessions, as well as your patience as we work through this scheduling issue, is greatly appreciated. In the interim, we hope that the Health Benefits Plans Administrative Manual will be a useful resource. It is available at:
